MODEL 01

Door & Panel for Showers

The 01 door & panel series delivers a tailored appearance at an affordable price, combining a standard door with a custom fabricated sidelite. Select from framed or semi-frameless door options to enhance the aesthetic of showers up to 60" in width. Customizable sidelite choices cater to different shapes and sizes accommodating shower seats and buttresses. Precision overlapping / telescoping joints ensure sleek contours and superior waterproofing.

Polished Silver Brushed Nickel Oil-Rubbed Bronze Matte Black
